Pray for the IntersVarsity Christian Fellowship Staff with whom OCM partners

1. Many students often find the summers spiritually "dry" because they lack fellowship when they return home. Pray that the nearly 3,000 students in NY/NJ's InterVarsity ministries find places to serve and to grow this summer as they return home from school.
2. InterVarsity staff in the metro-NYC area (including Long Island and North New Jersey) are working to raise nearly \$150,000 to cover current year ministry expenses. Pray that God directs them to people who would delight in partnering in campus ministry.
3. InterVarsity's Regional Leadership Team will meet Wednesday-Friday of this week to develop strategies and plans for the coming academic year. Pray that they listen for the Holy Spirit's leading as they work.
